Dear Sponsor,

My name is _____. I am a volleyball player for the La Vernia Volleyball Club.

LVVC competes in the USAV (United States Association of Volleyball) <http://www.lsvolleyball.org>. Our club is an opportunity for young players to develop skills, strategy, and technique in volleyball, as well as, build character and improve social skills. The tournaments present new, exciting, and sometimes intense challenges that I enjoy competing in; however, the sport of volleyball has expenses that we all share.

The tuition for the season is \$900. This pays for gym rental, equipment, tournament fees, administrative fees (registration in USAV), coach's fees, and uniforms. Our season lasts six months in which we will play 8 tournaments.

I am asking you to sponsor me in the USAV – La Vernia Volleyball Club as I strive to better myself as a player and a person. Any amount of sponsorship would be appreciated. Checks can be made payable to LVVC (please place my name in the 'notes/for' portion of the check).

Please contact any of our club officers if you would like further information about our club. Thank you for considering my request.

Respectfully,

La Vernia Volleyball Club Player
